This menu was born from experiencing a variety of tastes through my travels around the world. As an Olympic athlete, eating nutritious food was an essential part of my lifestyle. It has now become my passion through *GoodOnYa* to create a health conscience café. We strive to achieve the perfect balance between nutrition and taste! So let us fuel your body and delight your taste buds with our organic, whole foods.

In our fast paced society we understand that healthy choices are not always available. Which is why at *GoodOnYa* we use natural meats, **organic** bread, **organic** tortillas, and local produce. We want to make it easy for you to do the right thing and feel *Good*.

We are also proud of our social and environmental commitment. We purchase our coffee from a local roaster to ensure the freshest cup possible, and choose only varieties that are **organic** and/or **fair trade**. We are also certified a San Diego Green Business.

The bottom line is **we care** about you and the environment, and are doing all we can to bring you the best tasting, healthiest food we can find.
